## So, is recruitment for you?

Can you work under pressure?

Do you have sales experience but are looking for better commissions?

Do you like to constantly learn and improve?

Do you aim to have financial freedom?

Can you follow a successful formula without getting bored?

Do you want to work from anywhere?

Do you have the stamina for a high activity job?

Do you feel like big efforts should come with big rewards?

Do you want to become a trusted source for human capital and opportunities?

Do you like working without time restrictions?

### Want to start a career in recruitment?

It's ok if you missed one checkbox (or more), you can grow while you build a successful career!
